

The Religion of Evolution, Part 2

The second bridge that no Evolutionist has ever crossed is the bridge of ARTICULATE SPEECH. Someone said, what kind of world would this be if the dog could tell some of the secrets of his master? We make reference to animals as dumb animals because they cannot talk and even the mimicry sometimes evidenced due to muscular reactions in parakeets and parrots has no relation to the gift of speech given to man. Professor George H. Meade of Chicago University spoke of vocal gesture as a characteristic given to man alone.

Men talk with men and even more significant they talk to God in prayer. This is possible since God created man in his own image and gave to man the intelligence to use speech for all kinds of creature purposes.

Gen. 1:26-28, "Then God said, "Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth." So God created man in His own image; in the image of God He created him; male and female He created them." NKJV

This is made clearer when Jesus Christ, God in human flesh, is called the Living Word of God (Jn. 1:1-14; Heb. 1:1-4). Animals, after countless generations, cannot speak, spell, put their language down on paper, translate for other generations to read, nor can they deliver orations, write poetry, or publish papers. No other creature apart from man has changed his culture or his manner of living through verbal communication.

Science declares as scientific fact that if a new born baby is kept in isolation from all language sounds, that baby would never have language or words to speak. Language is a learned aspect of life for humans and we all learn one or more languages without tutor or instruction. However, even after great effort on the part of scientists, little if any can be learned by animals. One must therefore draw the conclusion that verbal communication could not be the product of evolutionary processes but must be the gift of the Creator of all things.

The third bridge that no Evolutionist has ever crossed is the bridge of INVENTION. While beavers build dams, birds build nests, foxes have holes, they never break the pattern or improve on their living conditions. Man alone has the capacity to do this because he bears the image of his Creator, God. Man with his creative skills and genius can build any sort of device he chooses and this evident over the centuries as he has greatly improved the quality of his life.

Mr. Kettering of General Motors declared, "What man can imagine what man can do?" Man is motivated not by necessity alone but also by imagination. In Genesis 11:6, God Himself said of man,

Gen. 11:6-7, “Indeed the people are one and they all have one language, and this is what they begin to do; **now nothing that they propose to do will be withheld from them.**” NKJV

In fact God commanded man to have dominion over the earth (Gen. 1:26-28) and the fact that he has reflects the image of his CREATOR. Animals remain the same, do not build factories, have laboratories, or patent offices, and no animal uses bow and arrows, guns, explosives, drives cars, flies airplanes and space vehicles. We see God the Creator through these accomplishments of man and no scientific fact exists that can dispute this.

Allow God to speak to your heart and mind through your honest and earnest searching for TRUTH.

Jn 16:13, “However, when He, the Spirit of truth, has come, **He will guide you into all truth;** for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come.” NKJV

Then when you find that TRUTH, believe Him when He declares you and I are eternally lost without the possibility of holiness, righteousness and purity through good works, religion, sincerity or anything else.

Eph. 2:8-10, “For by grace you have been saved through **faith,** and that **not of yourselves;** it is the **gift of God, not of works,** lest anyone should boast. For **we are His workmanship.**” NKJV

Humble yourself to see yourself the way that God sees you, a lost sinner incapable of attaining to the acceptance of God through any effort on our part.

Ro 3:23-25, “for **all have sinned and fall short** of the glory of God, being **justified freely by His grace through the redemption that is in Christ Jesus**” NKJV

Repent to God for the sinner that you are and believing Him, repent of you sin and trust your eternal destiny to the eternal promise of the Lord Jesus Christ. Accept Him as own personal Savior, Lord, and God who loved you so much He died on the cross in your place. He did so to pay the penalty for your sin so that he might forgive you for your sin and give you the gift of salvation and assurance of heaven.

Jn 3:16-17, “For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.” NKJV
