

The Religion of Evolution, Part 5

The tenth bridge that no Evolutionist has ever crossed is the bridge on MAN'S Spiritual NATURE. People sin; all of them sin because they are born with sin nature that operates as an inner law or compass influencing everything they think and do. That sinful appetite longs to satisfy its inwards desires by fulfilling the lusts of his human flesh. No one has ever been born without that sinful appetite nor shall there ever be. The Bible is very dogmatic about this fact.

Rom. 3:23-25, "for all have sinned and fall short of the glory of God, 24 being justified freely by His grace through the redemption that is in Christ Jesus" NKJV

Ro 3:9-18, "For we have previously charged both Jews and Greeks that they are all under sin. As it is written: "There is none righteous, no, not one; there is none who understands; there is none who seeks after God. They have all turned aside; they have together become unprofitable; there is none who does good, no, not one. Their throat is an open tomb; with their tongues they have practiced deceit; the poison of asps is under their lips; whose mouth is full of cursing and bitterness. Their feet are swift to shed blood; destruction and misery are in their ways; and the way of peace they have not known. There is no fear of God before their eyes." NKJV

Gal 3:22, "But the Scripture has confined all under sin." NKJV

The same Bible declares that there are eternal consequences that must be paid for our sins. The only hope that sinful man has is to receive the Gift of God, the Lord Jesus Christ, who gives to the sinner eternal life and freedom from the wrath of God.

Ro 6:23, "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord. NKJV

Jn 3:16-18, "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. For God did not send His Son into the world to condemn the world, but that the world through Him might be saved. He who believes in Him is not condemned; but he who does not believe is condemned already, because he has not believed in the name of the only begotten Son of God." NKJV

Have you noted that animal's blood in the Old Testament was shed to atone for man's sin, but never have you seen in the Bible that man's blood was shed for the sin of animals? Likewise, do animals evolve to sin, to blaspheme or to seek to murder Jesus? Animals suffer because of the curse of Adam's sin fell on all of his dominion (Gen. 1:27-28; 3:17-19; 9:2-3). We regularly see this displayed on the TV screen in

the cruelty of man to animals. But animals are not the only creatures in God's creation that suffer because of sin; we all suffer because of our own sin and the sin of others in our world.

While we note that God declares that the wages of sin is death (Rom. 6:23), meaning eternal separation from God and His eternal wrath, we need to carefully note that God also declared that God has a gift that he wants to give to all sinners. That Gift is eternal, never ending, abundant life and forgiveness of all of our sins and the assurance of acceptance with God and the comfort of knowing we are heaven bound. God declares this gift is found only in the Lord Jesus Christ. Make Him your saviour today and experience His peace and joy which is far greater than any you have experienced before.

The eleventh bridge is the bridge of THE NEW BIRTH. The new birth is a spiritual birth that is as certain and real as any physical birth. When a repentant sinner believes God that Jesus suffered and died on the cross for their sin, and personally confesses to Jesus that they are incapable of making themselves acceptable to God, and then personally receives the Lord Jesus into their heart and life as their Savior, a new birth takes place. God the Holy Spirit comes to take up permanent residence in that individual (1 Cor. 12:13) and changes begin to take place in their life. The Spirit directs them to become a new person forever more. In Evolution, all things eventually pass way. There is no hope of eternal improvements or even existence. However the opposite is true when one makes Christ their Savior, Lord, and God.

2 Co 5:17, "Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new." NKJV

No Evolutionist can ever sing "O happy day that fixed my choice" because he does not believe anything happens in a day or a moment of time...but the saved person knows that as a fact, by experience when he trusts Jesus for eternity.

The twelfth bridge is the bridge of IMMORTALITY. Man alone longs for immortality. Man has within himself the yearning and desire for hope beyond the grave. He longs for eternity in place like heaven. It is this hope that often drives him incorrectly to strive for religion, good works, and even religious works with sincerity to reach the goal. No animal longs for eternal life, or for heaven. Sadly the Evolutionist does not believe he is fallen. If he thinks he has fallen, he thinks he fell upward. He has no authority beyond this present life. Evolution has no hope to give beyond the grave.

Romans 1:18-32, clearly and dogmatically, reveals what happens to people when they desire not to retain the knowledge of God and his requirement of the forgiveness of sins through faith in the Lord Jesus Christ. Jesus in John 3:3 told Nicodemus that unless a man is born again he cannot ever enter heaven. God requires the new birth for heaven and eternal life. The new birth is the miracle of God that takes place in the heart and life of a repentant sinner and it is all God's work and nothing that we can do (Eph. 2:8-10). Thank God for the GIFT of God, the Lord Jesus Christ!
